Olaf Otrząsek Senior Product Designer with 7+ years in SaaS. I make decisions from data, ship fast using AI, and write production code when it moves things faster. Design for me ends at the metric, not the mockup.

EXPERIENCE

edrone **Senior Product Designer & Team Lead** Remote / Cracow, PL Nov 2022 – Mar 2026

AI-powered marketing automation and CRM platform for small and medium e-commerce businesses.

- Rebuilt the entire product over 2 years, making it usable enough for self-serve and creating the foundation that made freemium possible
- Designed freemium model end-to-end: signup, onboarding, integration, activation, and Stripe payment
- Signup flow redesign shipped in 5 hours using Codex: +40% signups on desktop, +300% on mobile within 7 days
- Built design system from zero: 50+ components, shipped in Storybook and adopted across the full engineering team
- Grew into Team Lead within a year, managing a team of four across design, research, and analytics
- Introduced prototype-driven handoffs and enabled developers to own projects end-to-end, scaling design delivery without growing the team

Deepsolver & PLO Genius **Product Designer** Remote / Warsaw, PL Nov 2020 – Oct 2022

Sole designer across two B2C SaaS products for poker strategy training, both still live and generating revenue. Took both from zero to launch: research, UX, UI, design system, and ongoing feature development.

EQ System **UX Designer** Katowice, PL Sep 2019 – Jul 2020

Designed modular ERP, CRM and HRM systems across desktop, tablet and mobile for enterprise clients.

[i] Inventive Software **Jr UX/UI Designer** Remote, US Jan 2019 – Jun 2019

Designed interfaces for real estate and e-commerce platforms as first UX/UI role.

EDUCATION

A University WSB **Bachelor of Management** Katowice, PL 2017 – 2020

Business Psychology, focus on consumer behaviour and decision-making.
